

All the music you want. All over your house.

## Sonos ZonePlayer 90

# ZP90

### Wirelessly stream music to your home theater, stereo and more.

The Sonos® ZonePlayer™90 lets you play all the music you want, all over your house, on all the audio equipment you already own — your home theater receiver, stereo system, powered speakers, and more. Just connect the ZP90 to any amplified audio device in any room and it's instantly part of the wireless Sonos system. You can fill your house with ZP90s or mix and match with the amplified ZP120 for the ultimate in multi-room music.

When connected to your favorite audio equipment, the ZP90's digital and analog outputs deliver superior sound to every room. And with the ZP90's expansive wireless range, no room is out of reach. The ZP90 is super small, so it will fit just about anywhere.

#### Key Features

- Connects to all your favorite audio equipment
- Best-in-class wireless technology for multi-room music
- Instant access to endless music
